## PROJECT TIME LINE

# PRESTIGE HOMES LIVING

Buying a new home is an important decision. Probably the most important of all decisions you'd have to make. So, why not make your decision worthwhile? Why not choose a home that is worthy of you?

There are just homes, and there are homes that are looked up to. We've made for you the latter. It's a home for those who hold their head high; a place for those who have made a place for themselves.

## REVA : THE LEGEND

As she comes gushing through the Maikal in Amarkantaks, she gracefully flows through the dense forests of Madhya Pradesh and the pious land of Gujarat. For years, she has been worshipped by the name of "Maa REVA." Narmada holds a prominent place in our ancient manuscripts as well as Hindu mythology. She is one of the seven holy rivers of India.

The legend says that "Maa REVA's" parikrama connects one to their supreme and spiritual self.

One of the most prestigious rivers of the Indian sub-continent, REVA has kept the heritage of India alive at the centre of it.

## REVA : THE NAME

We always pondered how graceful, pious and yet so powerful REVA is. Just a glance of her remarkable flow gives one confidence over their mindset. Her aura makes you feel superior.

And that's where we found our name.

Isn't that what a home should be all about?

A place that makes you feel powerful, with luxury that is unmatched and a sense of novelty that comes alive with each new day..

In the hub of business, lifestyle and everything that's modern, Kaavyaratna / Ekarth is one of the firsts to make homes that are worthy of you.

# REVA : THE HOME

Situated in Hon'ble PM Modi's dream and the pride of Gujarat- GIFT City Gandhinagar, a one-of-its-kind skyscraper- REVA is being constructed to provide a distinct lifestyle.

Those who have made it to the top, always deserve to be at the top.

The view from the peak is only for those who have learnt to hold their head higher.

Because, aiming for the stars is not enough, you need to be amongst them.

Soaring high in the sky, REVA is set to offer unprecedented luxury to a few who have proved that they are remarkable in their own ways.

**Spaces that suit all needs**
